

## Amended and Restated Corporate Governance Guidelines

The Board of Directors (the “Board”) of Esperion Therapeutics, Inc. (the “Company”) has adopted the amended and restated corporate governance guidelines set forth below to assist and guide the Board in the exercise of its responsibilities. These guidelines should be interpreted in accordance with any requirements imposed by applicable federal or state law or regulation, the NASDAQ Stock Market LLC and the Company’s certificate of incorporation, as amended, restated or otherwise modified from time to time (the “Certificate of Incorporation”) and the Company’s bylaws, as amended, restated or otherwise modified from time to time (the “Bylaws”). The Board may review and amend these guidelines from time to time.

### I. Director Qualification Standards

- **Director Criteria:** The Board of Directors shall consider and approve from time to time the criteria that it deems necessary or advisable for prospective Director candidates. The Board of Directors shall have full authority to modify such criteria from time to time as it deems necessary or advisable. The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility for developing and recommending to the Board of Directors for its consideration and approval such criteria for prospective Director candidates as the Nominating and Corporate Governance Committee deems necessary or advisable. The Nominating and Corporate Governance Committee will recommend to the Board of Directors from time to time such criteria for its consideration and approval. The Board of Directors may, however, rescind this delegation to the Nominating and Corporate Governance Committee and thereafter the Board of Directors shall have the responsibility for developing and approving from time to time such criteria for prospective Director candidates as it deems necessary or advisable.
- **Process For Identifying and Selecting Directors:** The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility of identifying suitable candidates for nomination to the Board of Directors (including candidates to fill any vacancies that may occur) and assessing their qualifications in light of the policies and principles in these corporate governance guidelines and the Nominating and Corporate Governance Committee's charter. The Nominating and Corporate Governance Committee will recommend prospective Director candidates for the Board's consideration and review the prospective candidates' qualifications with the Board. The Board of Directors shall retain the ultimate authority to nominate a candidate for election by the stockholders as a Director or to fill any vacancy that may occur. In identifying prospective Director candidates, the Nominating and Corporate Governance Committee may consider all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the prospective Director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board. In particular, because the Nominating and Corporate Governance Committee believes that diversity of viewpoints, background, experience and other characteristics (such as gender, race, ethnicity, culture, nationality and sexual orientation) are an important part of the Board's composition, the Nominating and Corporate Governance Committee should include candidates with a diversity of gender, race, ethnicity, culture, nationality or sexual orientation in the pool from which new director nominees are chosen (and any third-party engaged to identify candidates for such pool will be asked to include such candidates of diversity).
- **Independence:** At least a majority of the members of the Board shall meet the independence standards of the NASDAQ Listing Rule 5605(a)(2) (or any successor provision thereto). At least annually, the Board will evaluate all relationships between the Company and each director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest or otherwise interfere with such director's ability to satisfy his or her responsibilities as an independent director.
- **Limit on Number of Other Boards:** Carrying out the duties and fulfilling the responsibilities of a Director requires a significant commitment of an individual's time and attention. Directors should not serve on more than 4 boards of directors of public companies in addition to the Company's Board. The Board, however, recognizes that excessive time commitments can interfere with an individual's ability to perform his or her duties effectively. In connection with its assessment of Director candidates for nomination, the Board will assess whether the performance of any Director has been or is likely to be adversely

impacted by excessive time commitments, including service on other boards of directors. Directors must notify the Chairperson of the Board, and if there is no Chairperson of the Board, then the Lead Independent Director (as defined below), in connection with accepting a seat on the board of directors of another business corporation so that the potential for conflicts or other factors compromising the Director's ability to perform his duties may be fully assessed.

- **Term and Age Limits:** The Board does not believe that arbitrary limits on the number of consecutive terms a Director may serve or on the Directors' ages are appropriate in light of the substantial benefits resulting from a sustained focus on the Company's business, strategy and industry over a significant period of time. Each individual's performance will be assessed by the Nominating and Corporate Governance Committee in light of relevant factors in connection with assessments of candidates for nomination to be Directors.

## II. Director Responsibilities

- **Role of Directors:** The business and affairs of the Company are managed by or under the direction of the Board of Directors, acting on behalf of the stockholders. The Board has delegated to the officers of the Company the authority and responsibility for managing the Company's everyday affairs. The Board of Directors has an oversight role and is not expected to perform or duplicate the tasks of the CEO or senior management.
- **Attendance at Meetings:** Each member of the Board is expected to make reasonable efforts to attend regularly scheduled meetings of the Board and to participate in telephone conference meetings or other special meetings of the Board. In the event that Directors are unable to make at least 75% of those regular or special meetings (together with the meetings of committees on which such Director serves), the Company will be required to disclose that fact in its annual proxy statement. In addition, attendance and participation at meetings is an important component of the Directors' duties and, as such, attendance rates will be taken into account by the Nominating and Corporate Governance Committee and the Board in connection with assessments of Director candidates for renomination as Directors.
- **Time Commitment; Advance Distribution and Review of Materials:** Directors are expected to spend the time needed and meet as frequently as the Board deems necessary or appropriate to discharge their responsibilities. Senior management is responsible for distributing information and data that are important to the Board's understanding of the business to be conducted at a Board or Committee meeting to the Directors. Directors should review these materials in advance of the meeting when reasonably practicable.

## III. Board Structure

- **Size of Board:** The Board reserves the right to increase or decrease the size of the Board, subject to any relevant provisions in the Bylaws, depending on an assessment of the Board's needs and other relevant circumstances at any given time.
- **Board Leadership:** The Bylaws provide that the Chairperson of the Board, if one is elected, shall preside at all meetings of the stockholders and the Board. The Chairperson of the Board, if one is elected, shall perform such other duties as the Board may from time to time designate.
- **Committees:** The Board intends at all times to have an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these standing committees will have a written charter that sets forth the responsibilities of such committee and the qualifications for committee membership. The Board may from time to time establish additional committees as necessary or appropriate. Membership on such committees is limited to independent directors meeting the independence requirements of the NASDAQ Listing Rules, the Sarbanes-Oxley Act of 2002 and any other related rules or regulations promulgated by the Securities and Exchange Commission and the Internal Revenue Service (as applicable), subject to applicable phase-in periods. The Board retains discretion to form new committees or disband current committees depending upon the circumstances.
- **Lead Independent Director:** If there is no Chairperson of the Board, or such Chairperson of the Board is the Chief Executive Officer of the Company or otherwise is a non-independent director, then the Board shall appoint a lead independent director (the "Lead Independent Director"). The Lead Independent Director, if appointed, shall be elected by vote of a majority of the independent directors. The independent director selected to serve as Lead Independent Director shall serve in such role until he or she ceases to be an independent director, resigns from the position or a successor is selected by a majority of the independent directors. The responsibilities of the Lead Independent Director shall include: (i) presiding over executive sessions of independent directors as further discussed below; (ii) serving as a liaison between the Chairman of the Board (if any) and the independent directors; (iii) approving information sent to the Board; (iv) approving Board meeting schedules to assure that there is sufficient time for discussions of all agenda items; (v) having the authority to call meetings of the independent directors of the Board; (vi) if requested by major stockholders, ensuring that he or she is available for consultation and direct communication; and (vii) such other responsibilities as may be assigned from time to time by the Board and/or the independent directors.
- **Executive Sessions:** The non-management Directors will meet at regularly scheduled executive sessions without management participation and at least once each year an executive session with only independent directors

present shall be held. If there is a Chairperson of the Board and such Chairperson is a non-management director and an independent director, then the Chairperson of the Board will preside at these meetings. If there is no Chairperson of the Board, or the Chairperson of the Board is the Chief Executive Officer of the Company or otherwise is a non-independent director, then the Lead Independent Director shall preside at these meetings. In either case, the director who presides at these meetings, and his or her name, or the process by which he or she is selected, will be disclosed in the annual proxy statement or, if the Company does not file an annual proxy statement, in the Company's annual report on Form 10-K filed with the SEC. In order that interested parties may be able to make their concerns known to the non-management directors, the Company will also disclose a method for such parties to communicate directly and confidentially with the presiding director or with the non-management directors as a group.

#### **IV. Director Access To Management And Independent Advisors**

- In carrying out its responsibilities, the Board of Directors, and each committee thereof, shall be entitled to rely on the advice and information that it receives from management and such experts, advisors and professionals with whom the Board, or any such committee, may consult. The Board of Directors, and each committee thereof, shall have the authority to request that any officer or employee of the Company, the Company's outside legal counsel, the Company's independent auditor or any other professional retained by the Company to render advice to the Company, attend a meeting of the Board, or such committee, or meet with any members of or advisors to the Board. The Board or any committee thereof shall also have the authority to engage legal, accounting or other advisors to provide it with advice and information in connection with carrying out its or their responsibilities.

#### **V. Director Compensation**

- The form and amount of Director compensation will be reviewed periodically, but at least annually, by the Compensation Committee, which shall make recommendations to the Board based on such review. The Board shall retain the ultimate authority to determine the form and amount of Director compensation.
- The Company's executive officers shall not receive additional compensation for their service as directors.

#### **VI. Director With a Change in Professional Status**

- The Board does not believe Directors who retire or change their principal occupation or business association should necessarily leave the Board. However, promptly following any such event, the Director should notify the Nominating Committee, so that it can review and advise the Board regarding the continued appropriateness of the Director's Board membership.

#### **VII. Performance Evaluation Of The Board And Committees**

- The Board will conduct a self-evaluation periodically for the purpose of determining whether it and its committees are functioning effectively, and each committee of the Board will conduct a self-evaluation periodically for the purpose of determining whether it is functioning effectively. These evaluations will consider the performance of the board or the committee, as the case may be, as a unit. The Nominating and Corporate Governance Committee will oversee any such evaluation process.

#### **VIII. Miscellaneous**

- The Board believes that the management should be responsible for communications with the press, media and other outside parties made on behalf of the Company, though individual Board members may, at the request of management or of the Board, communicate with outside parties on behalf of the Company.
- These guidelines are not intended to modify, extinguish or in any other manner limit the indemnification, exculpation and similar rights available to the Directors of the Company under applicable law and/or the Company's certificate of incorporation and/or its by-laws.
- Although these corporate governance guidelines have been approved by the Board, it is expected that these guidelines will evolve over time as customary practice and legal requirements change. In particular, guidelines that encompass legal, regulatory or exchange requirements as they currently exist will be deemed to be modified as and to the extent such legal, regulatory or exchange requirements are modified. In addition, the guidelines may also be amended by the Board at any time as it deems appropriate.
